

Check out the stroke order and learn how to say the words from our writing sheets & video: I Can Write/ I Can Read.

寫一寫，並大聲讀出來。Write and say it out loud.

晴	晴	晴	晴	晴	晴	晴	晴	晴

我	有	兩	隻	眼	睛	。

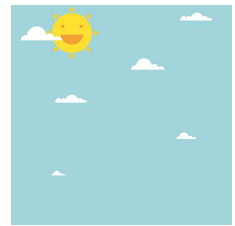

晴, sounds like 青 but in a lower tone.

It means sunny, and we can see the 日 (sun) as part of the word.

We use it in expressions such as 晴天 (sunny day).

Can you find the difference between 晴 and 睛?

晴	天	晴	天	晴	天	晴	天

眼	睛	眼	睛	眼	睛	眼	睛
